### To all Residents of WHA

Working as your Tenant Relations Coordinator has been a highlight in my career. Each of you has touched my life in some magical way. Thank you for making my job so worthwhile and meaningful. I thoroughly love what I do and if I could take you with me to Florida...I would!

Wishing all of you many blessings of good health, happiness and gratefulness. Remember to be kind to one another: one kind word can change someone's entire day. And the world is full of nice people...if you can't find one...be one.
