MAINTENANCE NOTES

The WHA will collect and properly dispose of medical waste, "sharps" in approved containers. Sharps should be placed in puncture resistant containers, such as metal/plastic coffee container or plastic laundry jugs. Containers need to have their tops on and securely in place.

For the safety of tenants and children, these containers "shall not" be placed near any maintenance building doors. Please hand these containers directly to the maintenance staff at your site, during regular WHA business hours, for proper safe disposal.

~~~~~

### East Hills Building #1 & Maywood Building

**#1:** Effective August 4, 2014, The WHA will no longer be providing trash receptacles in the common hallways of your building. It is the tenants' responsibility to remove trash from their apartment and dispose of properly in the provided dumpsters.
