## Trick-Or-Treating Tips

- Children should always go out trick or treating accompanied by a responsible adult
- Plan a safe route so parents know where their older kids will be at all times.
- Instruct your children not to eat any treats until they bring them home to be examined by you.
- Instruct your child to never go into the home of a stranger or get into their car.
- Make sure your child carries a flashlight, glow stick or has reflective tape on their costume to make them more visible to cars.
- Some towns have a Trick Or Treating curfew know what yours is and make sure your children know, too.
