## Scholarship Program

In order to encourage academic excellence and community responsibility among high school students, NYSPHADA has implemented a scholarship program for graduating seniors who are preparing to enter higher level learning (defined as a 2-4 year college, trade school or formal certification program). NYSPHADA will award one (1) scholarship to a deserving youth currently residing in a NYSPHADA member agency.

This scholarship will be formally presented at NYSPHADA's Annual Conference and Exhibition on April 13, 2016 at the Turning Stone Casino & Resort in Verona, New York. The winner will receive travel accommodations for him/herself and one parent/guardian to attend the conference.

The scholarship fund will be administered by the NYSPHADA Scholarship Committee. The money will go directly to the school that the recipient will be attending. The school will deposit the money into the student's account. The money may only be used to pay for tuition, books, and activities directly related to the student's education. If the student discontinues his or her education, the unused portion of the scholarship will be returned to NYSPHADA.

The application may be found on NYSPHADA's website at [www.nysphada.org](http://www.nysphada.org). On the homepage, click the NYSPHADA Scholarship Application link to download the application. Electronically complete the form, save it to your computer and print a copy. Include this printed application in the packet of materials that you submit to your Executive Director.
